

The Club's Purpose is to benefit The "ENSOR PARK & MUSEUM" of Olathe, Kansas. We also assist in the preservation of the historic radio equipment of Marshall H. Ensor, 1899-1970, and sister Loretta Ensor, 1904-1991, owners / operators of amateur station 9BSP-9UA, W9BSP-W9UA, and W0BSP-W0UA. M.E.M.O. is a non-profit organization.

- Membership is open to local and distant applicants wishing to help support the Ensor Museum. Being an Amateur Radio Operator is *not required*. Communications between members is primarily by the Internet and by Radio.
- Licensed Amateur members may be welcome to use the Club on site radio equipment and calls, W9BSP or W9UA, during on-going 'Special Event Station' activities. Approval by our Trustee is required in advance. Contact W0PWJ, Joe Krout, - Trustee, MEMO President.
- Membership includes a numbered Certificate suitable for framing and the above perks. Also, by giving your e-mail address, you will receive newsletters of Amateur Radio happenings at The Ensor Museum, and with the Club when available.
- Use of this form with your offering assures membership and is a one-time fee. The \$10.00 fee is a donation given through MEMO and helps maintain the Museum including the care and display of historic Amateur Radio Equipment.

Membership in **M.E.M.O.** gives you a direct ability to aid one of the only Amateur Radio Museums in mid America. Learn more with a visit to our web site. <**www.W9BSP-W9UA.org**>
